October 30, 2023 Transcript [ECF No. 171]	The transcript reflects quotations from SaveOnSP's internal, confidential documents reflecting SaveOnSP's business strategies pertaining to copayments, comprising confidential proprietary business information. <i>See ECF 171.</i>	If relief is not granted, SaveOnSP would be at a competitive disadvantage should its proprietary non-public business information be disclosed to competitors and other market participants.	A redacted, public version of the transcript is being filed. It is believed that no less restrictive alternative is available to prevent the disclosure of SaveOnSP's proprietary business information.
